WEB PAGE:

I will make extensive use of cuLearn to post course materials, exam results and other announcements. You must refer here for any changes to course materials and dates.

TEXTBOOK:

The required textbook is *Survey of Accounting* by Carl S. Warren, Seventh Edition, 2015, South-Western Cengage Learning. (Other older editions of the textbook are also acceptable.)

GRADING SCHEME:

On-line Quizzes	20%
Mid-term Examination	35%
Final Examination	<u>45%</u>
	100%

On-Line Quizzing:

Weekly quizzes are to be completed by students on cuLearn and are worth 20% of the overall grade in the course. The first weekly quizzes will become available on Wednesday, September 14 and are due each Wednesday at midnight. There will be 9 quizzes in all and your best 8 quizzes will count toward your final grade. There will be no quizzes due on Wednesday, October 26, during the week of the fall break.

Examinations:

- The **mid-term** will be held on Saturday, November 5 at 9 a.m. – locations to be confirmed. It will cover all material in Chapters **1 to 8 inclusive (but not chapter 5)**.
- The **final examination** will be held in the examination period and will cover the whole course. **To pass the course, students must obtain at least 45% on the final examination and at least 50% overall for the course.**
- if you miss the final exam due to illness, the application for a deferral must be made in writing to the Registrar's Office no later than five working days after the original final examination or the due date of the take-home examination

Failure to write the mid term or failure to earn at least 40 % in the quizzes and the Mid term combined will result in a grade of FND (Failure with No Deferral) that refuses the privilege of writing a deferred examination. The above conditions will apply only if such a student misses the Final examination (for whatever reason).

The only valid excuse for missing the mid term exam is for medical reasons or death in the family and must be documented with a medical certificate. In such circumstances there will be no make-up test. The grade weighting corresponding to the test that was missed will be added to the grade weighting of the final exam. Any other reason (such as travel, sleeping in late, wanted to visit your family, didn't feel like writing the mid term, not prepared for the mid-term, don't like mid-terms, etc...) cannot be considered.

REVIEW PROBLEMS AND STUDENT RESPONSIBILITIES:

To do well in this course, as with any other accounting course, it is necessary to work out as many problems as you can. In addition to the problems covered in class, please attempt the demonstration problems included at the end of each chapter of the text. You should expect to spend 7 to 10 hours per week on this course.

I will be holding weekly tutorial sessions on cuLearn using Big Blue Button. I will take up the problems from the Homework document and you will have a chance to ask questions using your microphone or chat box. If you cannot attend the tutorial sessions while they are taking place, I will be recording them for future playback. Consult cuLearn for tutorial schedule.

Group assignments are also good for learning integrative skills for putting together a complex task. Your professor may assign one or more group tasks/assignments/projects in this course. Before embarking on a specific problem as a group, it is your responsibility to ensure that the problem is meant to be a group assignment and not an individual one.

Academic Regulations, Accommodations, Etc.

University rules regarding registration, withdrawal, appealing marks, and most anything else you might need to know can be found on the university's website, here:

Requests for Academic Accommodations

The Paul Menton Centre for Students with Disabilities (PMC) provides services to students with Learning Disabilities (LD), psychiatric/mental health disabilities, Attention Deficit Hyperactivity Disorder (ADHD), Autism Spectrum Disorders (ASD), chronic medical conditions, and impairments in mobility, hearing, and vision. If you have a disability requiring academic accommodations in this course, please contact PMC at 613-520-6608 or pmc@carleton.ca for a formal evaluation. If you are already registered with the PMC, contact your PMC coordinator to send me your Letter of Accommodation at the beginning of the term, and no later than two weeks before the first in-class scheduled test or exam requiring accommodation (if applicable). Requests made within two weeks will be reviewed on a case-by-case basis. After requesting accommodation from PMC, meet with me to ensure accommodation arrangements are

made. Please consult the PMC website (www.carleton.ca/pmc) for the deadline to request accommodations for the formally-scheduled exam (if applicable).

For Religious Obligations:

Students requesting academic accommodation on the basis of religious obligation should make a formal, written request to their instructors for alternate dates and/or means of satisfying academic requirements. Such requests should be made during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist, but no later than two weeks before the compulsory event.

Accommodation is to be worked out directly and on an individual basis between the student and the instructor(s) involved. Instructors will make accommodations in a way that avoids academic disadvantage to the student.

Students and instructors can confirm accommodation eligibility of a religious event or practice by referring to the Equity Services website (<http://carleton.ca/equity/accommodation/religious-observances/>) for a list of holy days and Carleton's Academic Accommodation policies. If there are any questions on the part of the student or instructor, they can be directed to an Equity Services Advisor in the Equity Services Department for assistance.

For Pregnancy:

Pregnant students requiring academic accommodations are encouraged to contact an Equity Advisor in Equity Services to complete a letter of accommodation. The student must then make an appointment to discuss her needs with the instructor at least two weeks prior to the first academic event in which it is anticipated the accommodation will be required.

Academic Integrity

Violations of academic integrity are a serious academic offence. Violations of academic integrity – presenting another's ideas, arguments, words or images as your own, using unauthorized material, misrepresentation, fabricating or misrepresenting research data, unauthorized co-operation or collaboration or completing work for another student – weaken the quality of the degree and will not be tolerated. Penalties may include; a grade of Failure in the submitted work and/or course; academic probation; a refusal of permission to continue or to register in a specific degree program; suspension from full-time studies; suspension from all studies at Carleton; expulsion from Carleton, amongst others. Students are expected to familiarize themselves with and follow the Carleton University Student Academic Integrity Policy which is available, along with resources for compliance at: <http://www2.carleton.ca/sasc/advisingcentre/academic-integrity/>.
