Course Description/Instructor's Statement

Carleton Calendar Description (Find at <https://calendar.carleton.ca/grad/courses/ACCT/>)

Discussion, analysis and integration of issues involving financial reporting, assurance, finance, management accounting, taxation and/or strategy.

Instructor's Description:

Discussion, analysis and integration of financial reporting, assurance, finance, management accounting, taxation and strategy and governance issues and problems encountered in professional practice. This course builds upon and integrates the knowledge and skills developed in preceding courses.

Course Learning Objectives:

1. Identify situations involving ethical issues and use appropriate professional values when recommending an ethical course of action.
2. Identify and rank problems, analyze alternatives and recommend solutions to satisfy stakeholders' needs.
3. Combine, synthesize and/or integrate ideas and information from a variety of sources.
4. Express information and concepts concisely, clearly and legibly when writing and concisely, clearly and loudly when speaking.
5. Assess their professional capabilities and weaknesses and implement strategies to improve their future performance.

Required Materials & Prices

Estimated cost of mandatory study pack and case fees is approximately (\$110 including tax)

Your professors will assemble and disseminate the study pack and cases to you throughout the term (you do not need to go anywhere to purchase this). A Post-MAcc study schedule will be provided upon completion of the course for self-study.
