\*previously named DATA 5000  
 \*\* courses for students admitted with the Business Analytics concentraion Fall 2025 or later

All students must register in **BUSI 5998: MBA Skills Workshop** before the end of their program. BUSI 5998 is a mandatory, non-credit course which includes professional development content and deliverables. It will be available every term; students must complete all deliverables in the term in which they register in the course in order to receive a grade of SAT.
