Test and Midterm and Final Exam

All tests, midterm, and final exam will be done online please not that all these assessment will be done through CoMaS. Please read the e-proctoring information below. If you get caught cheating on any assessment via CoMaS you will receive automatic grade of zero.

e-Proctoring

*e-Proctoring: Please note that E-proctoring (CoMaS) is **mandatory** for this course and must be used for all tests and exams that require e-proctoring. This service is provided by Scheduling and Examination Services (SES). More information about e-proctoring and CoMaS is available at <https://carleton.ca/ses/e-proctoring/>.*

Students are responsible for installing CoMaS ahead of time and making sure it is working properly on their computer before the exam. CoMaS must be running as required throughout the exam. Failure to use CoMaS or ensure that it is working properly during an exam may be considered a violation of the exam rules and could result in a review under Carleton University's Academic Integrity Policy.

The minimum computing requirements for this service are as follows:

- *Desktop or laptop computer*
- *Windows 10 or higher, or macOS 10.14 or higher*
- ***NEW!*** *Google Chrome – Chrome is the only supported browser for CoMaS and must be installed before the exam*
- *Reliable high-speed internet connection*
- *Webcam (HD resolution recommended)*

Please note: Chromebooks, tablets, smartphones, and Windows-based tablets are not supported.

Students are strongly encouraged to install and test CoMaS before their exam date to make sure their computer, webcam, screen permissions, and Google Chrome are working correctly.

Deferred In-Class Tests:

In the event that you are unable to write a midterm, test, or other scheduled assessments due to extenuating circumstances (such as a death in the family, illness, etc.), you must provide appropriate supporting documentation to your professor. Upon review, a deferred test may be offered. Please note that students who do not provide valid documentation or fail to offer a reasonable explanation for missing an assessment will receive a grade of 0% for that test.

Use of Generative Artificial Intelligence

This is a human-centered course. In this course, evaluation focuses on what you can do *without* AI assistance. While you are welcome to use AI tools to explore ideas, study, or clarify concepts, all submitted work must represent your independent thinking and original effort. Use AI for learning, not for producing graded submissions. Your understanding and reasoning—not

AI output—will form the basis of assessment. Using AI for graded submissions constitutes an academic integrity violation.

Students may request Academic Consideration for Coursework or Other Academic Deliverable. For further information please review the [Procedure for Academic Consideration](#) and the [FAQ page](#).

Academic Integrity

Violations of academic integrity are a serious academic offence. Violations of academic integrity – presenting another's ideas, arguments, words or images as your own, using unauthorized material, misrepresentation, fabricating or misrepresenting research data, unauthorized co-operation or collaboration or completing work for another student – weaken the quality of the degree and will not be tolerated.

Process: If an alleged violation occurs, all relevant documentation will be forwarded to the Dean. If the allegation proves true, the penalties may include; a grade of Failure on the submitted work and/or course; academic probation; a refusal of permission to continue or to register in a specific degree program; suspension from full-time studies; suspension from all studies at Carleton; expulsion from Carleton, amongst others. **For a first offence, at a minimum, the penalty assigned will normally be a zero on the submitted work and at least a minimum full grade reduction of the final course grade. For a second offence, at a minimum, the penalty assigned will normally lead to a suspension from studies.**

Students are expected to familiarize themselves with and follow the Carleton University Student Academic Integrity Policy which is available, along with resources for compliance at: <https://carleton.ca/registrar/academic-integrity/>.
