**Course Description:**

International business is an aspect of human enterprise which impacts most people, governments and institutions around the world. Whether you are a consumer of a product imported from a foreign nation, the government of a developing country hoping to create jobs through investment from a multinational corporation, or a domestic company suddenly experiencing competition from an off-shore firm, you are affected by the laws, agreements and institutions which govern international business. This course will examine the conceptual and practical aspects of international business and the management of firms operating in an international environment. Topics will include international trade theory, the international business environment, trade agreements and regional economic integration, and global strategy and marketing.

**Learning Objectives:**

1. Understand why countries and businesses engage in international trade.
2. Understand the economic, legal, political and cultural aspects of the environments in which multinational businesses operate.
3. Become familiar with regional economic organizations / agreements such as the European Union and the North American Free Trade Agreement, and international trade organizations such as the World Trade Organization.
4. Understand how basic business functions (e.g. marketing) are affected when operations involve multiple countries and cultures.

**Course Restrictions:** Open to BComm students only.

**Course Prerequisites:** n/a

**Grading Scheme:**

**Communications with Instructor:**

Please use instructor's email ([wade.rose@carleton.ca](mailto:wade.rose@carleton.ca)) and note that as per Carleton policy, I can only answer student emails sent from Carleton connect accounts. When possible, I will endeavour to answer all emails within 24 hours. **Late Assignment Policy:**

To ensure fairness to all students, penalties will be applied to late assignments. Failure to submit an assignment on time will result in an initial penalty of ten (10) percentage points on the first day, followed by an additional five (5) percentage points per day thereafter. For example, an assignment that would normally merit a grade of 80% would receive a grade of 70% if submitted after the deadline on the due date, 65% if submitted the following day, and so on. Late papers will only be accepted for six (6) days after the due date (i.e. until 10:00 am, 11 February for assignment 1, and 8 April for assignment 2).

The Sprott School of Business encourages group assignments in the school for several reasons. Group assignments are also good for learning integrative skills for putting together a complex task. Your professor may assign one or more group tasks/assignments/projects in this course. Before embarking on a specific problem as a group, it is your responsibility to ensure that the problem is meant to be a group assignment and not an individual one.

### **Medical certificate**

Please note that in all occasions that call for a medical certificate you must use or furnish the information demanded in the standard university form.

### **Requests for Academic Accommodations**

#### **Academic Accommodations for Students with Disabilities**

The Paul Menton Centre for Students with Disabilities (PMC) provides services to students with Learning Disabilities (LD), psychiatric/mental health disabilities, Attention Deficit Hyperactivity Disorder (ADHD), Autism Spectrum Disorders (ASD), chronic medical conditions, and impairments in mobility, hearing, and vision. If you have a disability requiring academic accommodations in this course, please contact PMC at 613-520-6608 or [pmc@carleton.ca](mailto:pmc@carleton.ca) for a formal evaluation. If you are already registered with the PMC, contact your PMC coordinator to send me your **Letter of Accommodation** at the beginning of the term, and no later than two weeks before the first in-class scheduled test or exam requiring accommodation (*if applicable*). After requesting accommodation from PMC, meet with me to ensure accommodation arrangements are made. Please consult the PMC website for the deadline to request accommodations for the formally-scheduled exam (*if applicable*).

- The deadlines for contacting the Paul Menton Centre regarding accommodation for final exams for the December 2013 exam period is November 8, 2013 and for the April 2014 exam period is March 7, 2014.

#### *For Religious Obligations:*

Students requesting academic accommodation on the basis of religious obligation should make a formal, written request to their instructors for alternate dates and/or means of satisfying academic requirements. Such requests should be made during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist, but no later than two weeks before the compulsory event.

Accommodation is to be worked out directly and on an individual basis between the student and the instructor(s) involved. Instructors will make accommodations in a way that avoids academic disadvantage to the student.

Students or instructors who have questions or want to confirm accommodation eligibility of a religious event or practice may refer to the Equity Services website for a list of holy days and Carleton's Academic Accommodation policies, or may contact an Equity Services Advisor in the Equity Services Department for assistance.

#### *For Pregnancy:*

Pregnant students requiring academic accommodations are encouraged to contact an

Equity Advisor in Equity Services to complete a letter of accommodation. The student must then make an appointment to discuss her needs with the instructor at least two weeks prior to the first academic event in which it is anticipated the accommodation will be required.

### **Academic Integrity**

Violations of academic integrity are a serious academic offence. Violations of academic integrity – presenting another’s ideas, arguments, words or images as your own, using unauthorized material, misrepresentation, fabricating or misrepresenting research data, unauthorized co-operation or collaboration or completing work for another student – weaken the quality of the degree and will not be tolerated. Penalties may include expulsion; suspension from all studies at Carleton; suspension from full-time studies; a refusal of permission to continue or to register in a specific degree program; academic probation; and a grade of Failure in the course, amongst others. Students are expected to familiarize themselves with and follow the Carleton University Student Academic Integrity Policy which is available, along with resources for compliance at <http://www2.carleton.ca/sasc/advisingcentre/academic-integrity/>.
