Summer 2022

Instructor:	Devin Fraser, CPA, CA, CFE
Email:	devin.fraser@carleton.ca
Class Time:	N/A - Asynchronous
Class Location:	N/A - Asynchronous
Modality:	Fully Online - Asynchronous
Office Hours:	By appointment as requested.

Course Calendar Description:

Accounting problems associated with business combinations, with attention to the preparation of consolidated financial statements. Discussion may extend to financial reporting and diversified companies, reorganizations, etc. Selection of topics may vary from year to year.

Course Description and Learning Objectives:

Discussion of accounting issues and problems associated with business combinations, long-term intercorporate investments, diversified operations, foreign operations and not-for-profit organizations. Equity accounting, preparation of consolidated financial statements, and foreign currency translation are given particular attention.

Students will be expected to demonstrate the following learning outcomes:

- Understand, interpret, apply and critically evaluate the accounting treatment for:
 - Non-controlled investments;
 - Control investments (wholly owned, and non-wholly owned);
 - Joint arrangements;
 - Foreign currency transactions and translations; and,
 - Non-profit organizations

Course Prerequisites:

BUSI 2002 (with a grade of C- or higher)

Drop Course Policy:

The last day for withdrawal with a full fee adjustment is May 20. Withdrawals after this date will result in a permanent notation of WDN on the official transcript. The last day for academic withdrawal is August 16.

Intellectual Property:

All course materials are protected by copyright and remain the intellectual property of the instructor. Students registered in the course may only use course materials for their own educational use. Students are not permitted to reproduce or distribute lecture notes or other course material publicly for commercial or non-commercial purposes without express written consent from the instructor.

Methods of Evaluation:

Component	Weight
Participation	10%
Assignments	20%
Midterm Exam (2 hours)	30%
Final Exam (3 hours)	40%
Total	100%

Participation:

Students are required to watch all of the posted videos for any given week by Sunday at Midnight in order to earn full participation grades. Participation grades will be calculated and posted at the end of the term.

Assignments:

The assignments will be completed using the McGraw Hill Connect platform. The assignments are generated using an algorithm, and therefore, each student will have different numbers and information for their assignments. I allow each student to drop one assignment mark from their final grade in-case of emergency, illness or any other issue that arises. You do not need to email me to request permission to miss the assignment. For example, if you are ill and unable to complete an assignment, a 0% will be awarded but it will not count towards your final grade. If you complete all of the assignments, your lowest score will be removed in the calculation of your final grade.

Assignment #	Chapter Coverage	Due Date (Midnight)
1	2	May 22
2	3	May 29
3*	5	June 5
4	6	June 19
5	4	July 10
6	10	July 31
7	11	August 7
8	12	August 14

*Assignment 3 will not be completed in the Connect Platform. The assignment will be posted on Brightspace. You will complete your response to the assignment in Excel and upload your document for marking.

Late Assignments:

Sometimes, despite our best efforts, and for good reasons, we can't meet our deadlines. There is a 24 hour grace period after each assignment deadline in-case of emergencies. If you are unable to complete the assignment by the deadline due to something that comes up last minute, you may submit within the 24 hour grace period and no penalty will be applied. Once the 24 hour grace period has expired, assignments will not be accepted and a grade of 0% will be awarded. No requests for extension will be considered. If you have an extended illness or other issue, you are able to skip one assignment, without any penalty to your final grade as described in the "Assignments" section above.

Midterm Exam:

The Midterm Exam will cover weeks 1 to 6 and will be held online (Brightspace) during the Summer Midterm Examination Period (June 20 to 26; Date/Time TBD). The duration of the exam will be 2 hours. The exam will test both technical and conceptual aspects of the course. The only valid reason for missing the midterm is for medical reasons or death in the family and must be documented with a medical certificate. Any other reason (such as travel, etc...) cannot be considered. If a valid reason for missing the midterm is provided, the midterm grade may be deferred to the final exam.

Final Exam:

The Final Exam will cover the entire course and will be held online (Brightspace) during the regular final examination period (August 19 to 25, 2022; Date/Time TBD). The duration of the exam will be 3 hours. The exam will test both technical and conceptual aspects of the course. You must obtain a minimum grade of 40% on the final exam to pass this course.

e-Proctoring:

Please note that tests and examinations in this course will use a remote proctoring service provided by Scheduling and Examination Services. You can find more information at <https://carleton.ca/ses/e-proctoring/>.

Marking:

The assignments and exams will be marked by the teaching assistants and the instructor together and follow a rigorous quality control process that reasonably assures that the grade awarded is fair. However, no system is 100% error-free, so it is possible that you may wish to question a grade that has been awarded. In this circumstance, please email the instructor describing the difficulty with your grade. You have seven (7) calendar days from when a grade is posted to contest that grade. Please be sure to email from your Carleton email account.

How to do well in this Course:

To perform well in this course, you must spend time answering extra problems and checking the answers to test your understanding. To maximize your learning, you should make an honest attempt at the question before looking at the solution. Simply reading a question and then turning to the solution right away is next to useless. You will find that there is likely to be a direct correlation between the number of problems you prepare, your attendance in class and your course grade.

Teaching Assistants and Support:

Teaching assistants are available to support you throughout this course. They will answer any questions posted to the Discussion Forums in a timely manner. In addition, senior accounting TA's will be holding regular weekly office hours. The office hour schedule will be posted to Brightspace.

Group work

The Sprott School of Business encourages group assignments in the school for several reasons. They provide you with opportunities to develop and enhance interpersonal, communication, leadership, follower-ship and other group skills. Group assignments are also good for learning integrative skills for putting together a complex task. Your professor may assign one or more group tasks/assignments/projects in this course. Before embarking on a specific problem as a group, it is your responsibility to ensure that the problem is meant to be a group assignment and not an individual one.

Survivors of Sexual Violence

As a community, Carleton University is committed to maintaining a positive learning, working and living environment where sexual violence will not be tolerated, and its survivors are supported through academic accommodations as per Carleton's Sexual Violence Policy. For more information about the services available at the university and to obtain information about sexual violence and/or support, visit: carleton.ca/sexual-violence-support

Accommodation for Student Activities

Carleton University recognizes the substantial benefits, both to the individual student and for the university, that result from a student participating in activities beyond the classroom experience. Reasonable accommodation must be provided to students who compete or perform at the national or international level. Please contact your instructor with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist.

Academic Integrity

Violations of academic integrity are a serious academic offence. Violations of academic integrity – presenting another's ideas, arguments, words or images as your own, using unauthorized material, misrepresentation, fabricating or misrepresenting research data, unauthorized co-operation or collaboration or completing work for another student – weaken the quality of the degree and will not be tolerated.

Process: If an alleged violation occurs, all relevant documentation will be forwarded to the Dean. If the allegation proves true, the penalties may include; a grade of Failure on the submitted work and/or course; academic probation; a refusal of permission to continue or to register in a specific degree program; suspension from full-time studies; suspension from all studies at Carleton; expulsion from Carleton, amongst others. **For a first offence, at a minimum, the penalty assigned will normally be a zero on the submitted work and at least a minimum full grade reduction of the final course grade. For a second offence, at a minimum, the penalty assigned will normally lead to a suspension from studies.**

Students are expected to familiarize themselves with and follow the Carleton University Student Academic Integrity Policy which is available, along with resources for compliance at: <https://carleton.ca/registrar/academic-integrity/>.

Sprott Student Services

The Sprott Undergraduate Student Services Office offers program advising and overall student success support. Our team is available to discuss your academic goals and your program progression plans. We can also work with you to develop strategies for success, including study skills for Business. If you experience any difficulty this term or if you would like to access support, please contact our team at bcom@sprott.carleton.ca or at bib@sprott.carleton.ca.

Centre for Student Academic Support

The Centre for Student Academic Support (CSAS) is a centralized collection of learning support services designed to help students achieve their goals and improve their learning both inside and outside the classroom. CSAS offers academic assistance with course content, academic writing and skills development. Visit CSAS on the 4th floor of MacOdrum Library or online at: carleton.ca/csas.

Important Information:

- Students must always retain a copy of all work that is submitted.
- All final grades are subject to the Dean's approval.
- For us to respond to your emails, we need to see your full name, CU ID, and the email must be written from your valid CARLETON address. Therefore, in order to respond to your inquiries, please send all email from your Carleton CMail account. If you do not have or have yet to activate this account, you may wish to do so by visiting
