Examinations and Grading

Weekly Online Problems	10%
Case Assignment	10%
Mid-Term – 2 hours	30%
Final Exam – 3 hours	<u>50%</u>
	<u>100%</u>

Weekly online problems: Each assignment will be posted online at the start of the semester. The assignments can be completed at any time, but needs to be submitted by the due date below to be scored. The assignments are worth 10% of your final mark. This mark will be based on your top 6 assignment scores. Note, if your final exam score is higher than your grade on your best 6 assignments, the final exam will be worth 60% of your final grade, and the assignments will not be counted towards your final grade.

The assignments are generated using an algorithm, and therefore, each student will have different numbers and information for their assignments.

Assignment #	Chapter	Due Date
1	3	January 21 – 11:59 PM
2	4	January 28 – 11:59 PM
3	5	February 11– 11:59 PM
4	6	February 24 – 11:59 PM
5	10	March 24 11:59 PM
6	11	March 31 – 11:59 PM
7	12	April 7 – 11:59 PM

Case Assignment: The case assignment will be a short, integrated case covering the course material. It will be due **Friday April 3, 2020 at 1 PM**. The case can be done in groups of 1 to 3 students. Groups can be made by the students.

The mid-term will be held on Sunday March 1, 2020 at 2pm. Location and will be announced in cuLearn about a week before the mid-term. The mid-term will cover chapters 2-7.

The only valid excuse for missing the mid-term is for medical reasons or death in the family and must be documented with a medical certificate. Any other reason (such as travel, etc...) cannot be considered. In such circumstances the make-up mid-term will be held on Monday March 9, 2020 from 6:25am –8:25am.

To be eligible to write the make-up mid-term, the instructor will need to receive a medical note by two days after the initial mid-term date. The medical note can be scanned and e-mailed. If you miss the mid-term and do not provide a medical note by two days after the mid-term date, your mid-term grade will be zero.

The mid-term will be marked by the teaching assistants together with the instructor and follow a rigorous quality control process that (hopefully) ensures that the grade awarded on exams is fair. However, no system is 100% error-free, so it is possible that you may wish to call into question a grade that has been awarded on a test or assignment. In this circumstance, please write a brief note describing the difficulty with the awarded grade and provide this note, together with the graded test or assignment, to me no later than seven calendar days following the return of the graded work. Please be sure to include your name and student number on the note to enable me to properly identify it.

Graded midterms can be collected from the CUOL Student Centre, D299 Loeb. If you do not normally come to campus, the CUOL Student Centre staff will scan and email the

graded midterm to you. Please send a request for a scanned copy from your Carleton email account to cuol@carleton.ca and make sure to include your name, the course and your student number.

The final examination will be held in the regular examination period (April 13 - 25, 2020). The duration of the exam will be 3 hours. The final examination will cover the whole course. You need to obtain a minimum grade of 40% on the final exam to pass this course.

If you are planning on writing the mid-term and final exam off campus, you must make these arrangements with the CUOL office (<http://carleton.ca/cuol/>) early in the term. If you miss the deadline to apply for an off campus exam, you will be required to write your exam on campus.

The exams will test both the technical and conceptual aspects of the course. The final exam will be comprehensive in nature and will cover the whole course. Only non-programmable calculators (without alpha storage capabilities) will be permitted for use during examinations. Translation dictionaries are allowed as long as they are in print format and do not contain any handwritten notes. Electronic translation dictionaries are not allowed.

The 'Slides and Instructions' Files

These documents located in CULearn provide you with the road map to the course:

- the first page of the Chapter File provides you with the list of the videos you should be watching and the order in which you should be watching them,
- the remaining pages provide you with a copy of the PowerPoint slides and in-class problems that are taken up in the videos

All you literally need to do is to print the chapter files out and follow along.

How to do well in this course:

WATCH ALL VIDEOS, AND PRACTICE, PRACTICE, PRACTICE...

To perform well in this course, you must spend time answering extra problems and checking the answers to test your understanding. To maximize your learning, you should make an honest attempt at the question before peeking at the solution. Simply reading a question and then turning to the solution right away is next to useless. You will find that there is likely to be a direct correlation between the number of problems you prepare, your attendance in class and your course grade.

Teaching Assistants and Support

Teaching assistants are available to support you throughout this course. They will answer any questions posted to the Discussion Forums in a timely manner. In addition, senior accounting TA's will be holding regular weekly office hours. The office hour schedule will be posted to cuLearn.

TOPICAL EMPHASIS:

For every chapter and section of the chapters covered in class, a number representing the level of emphasis ranging from one to four is indicated below. These levels have the following interpretation:

- Level 1 **In-depth knowledge** - students will be expected to know and fully understand and apply the contents of these sections.

- Level 2 **Working level knowledge** - students should have a basic understanding of the conceptual aspects of these topics and develop a working knowledge of procedures.

- Level 3 **Awareness level knowledge** - students will be expected to read these sections on their own, will be held responsible for general knowledge only and should understand the circumstances in which the material would arise or be applied.

- Level 4 **No knowledge requirement.**

ASPE Differences and Disclosure Requirements are Level 2 topics. Level 4 topics will not be examined in this course. Level 3 topics are examinable but at a very general level and will comprise a maximum of 10% of any exam.

Group work

The Sprott School of Business encourages group assignments in the school for several reasons. They provide you with opportunities to develop and enhance interpersonal, communication, leadership, follower-ship and other group skills. Group assignments are also good for learning integrative skills for putting together a complex task. Your professor may assign one or more group tasks/assignments/projects in this course. Before embarking on a specific problem as a group, it is your responsibility to ensure that the problem is meant to be a group assignment and not an individual one.

In accordance with the Carleton University Undergraduate Calendar (p 34), the letter grades assigned in this course will have the following percentage equivalents:

A+ = 90-100	B+ = 77-79	C+ = 67-69	D+ = 57-59
A = 85-89	B = 73-76	C = 63-66	D = 53-56
A - = 80-84	B - = 70-72	C - = 60-62	D - = 50-52
F = Below 50

Academic Accommodations for Students with Disabilities

If you have a documented disability requiring academic accommodations in this course, please contact the Paul Menton Centre for Students with Disabilities (PMC) at 613-520-6608 or pmc@carleton.ca for a formal evaluation or contact your PMC coordinator to send me your Letter of Accommodation at the beginning of the term. You must also contact the PMC no later than two weeks before the first in-class scheduled test or exam requiring accommodation (if applicable). After requesting accommodation from PMC, meet with me to ensure accommodation arrangements are made. **carleton.ca/pmc**

Survivors of Sexual Violence

As a community, Carleton University is committed to maintaining a positive learning, working and living environment where sexual violence will not be tolerated, and its survivors are supported through academic accommodations as per Carleton's Sexual Violence Policy. For more information about the services available at the university and to obtain information about sexual violence and/or support, visit:

Accommodation for Student Activities

Carleton University recognizes the substantial benefits, both to the individual student and for the university, that result from a student participating in activities beyond the classroom experience. Reasonable accommodation must be provided to students who compete or perform at the national or international level. Please contact your instructor with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist.

Academic Integrity

Violations of academic integrity are a serious academic offence. Violations of academic integrity – presenting another's ideas, arguments, words or images as your own, using unauthorized material, misrepresentation, fabricating or misrepresenting research data, unauthorized co-operation or collaboration or completing work for another student – weaken the quality of the degree and will not be tolerated. Penalties may include; a grade of Failure on the submitted work and/or course; academic probation; a refusal of

permission to continue or to register in a specific degree program; suspension from full-time studies; suspension from all studies at Carleton; expulsion from Carleton, amongst others. Students are expected to familiarize themselves with and follow the Carleton University Student Academic Integrity Policy which is available, along with resources for compliance at: <https://carleton.ca/registrar/academic-integrity/>.

Sprott Student Services

The Sprott student services office, located in 710 Dunton Tower, offers academic advising, study skills advising, and overall academic success support. If you are having a difficult time with this course or others, or just need some guidance on how to successfully complete your Sprott degree, please drop in any weekday between 8:30am and 4:30pm. Our advisors are happy to discuss grades, course selection, tutoring, concentrations, and will ensure that you get connected with the resources you need to succeed! <http://sprott.carleton.ca/students/undergraduate/learning-support/>

Centre for Student Academic Support

The Centre for Student Academic Support (CSAS) is a centralized collection of learning support services designed to help students achieve their goals and improve their learning both inside and outside the classroom. CSAS offers academic assistance with course content, academic writing and skills development. Visit CSAS on the 4th floor of MacOdrum Library or online at: carleton.ca/csas.
