Midterm & Final Exam:

The only valid excuse for missing the mid-term is for medical reasons (medical emergency) or death in the family and must be documented with a medical certificate. Any other reason (such as travel, etc...) cannot be considered and will be given a grade of 0. If proper medical documentation is provided, then you will need to discuss with your instructor the choice of making up the lost work or shifting the weight to the final exam.

The exams will be marked by the teaching assistants and the instructors together and follow a rigorous quality control process that reasonably assures that the grade awarded on exams is fair. However, no system is 100% error-free, so it is possible that you may wish to call into question a grade that has been awarded on a test. In this circumstance, please write a brief note describing the difficulty with the awarded grade and provide this note, together with the graded test or assignment, to the teaching assistant no later than seven calendar days following the date you received the assignment of exam. Please be sure to include your name and student number on the note to enable us to properly identify it.

Locations for the midterm will be announced in cuLearn about a week before the mid-term.

Graded midterms can be collected from the CUOL Student Centre, D299 Loeb. If you do not normally come to campus, the CUOL Student Centre staff will scan and email the graded midterm to you. Please send a request for a scanned copy from your Carleton email account to cuol@carleton.ca and make sure to include your name, the course and your student number.

The final examination will be held in the regular examination period (April 13-25). The duration of the exam will be 3 hours. The final examination will cover the whole course. You need to obtain a minimum grade of 40% on the final exam to pass this course.

If you are planning on writing the mid-term and final exam off campus, you must make these arrangements with the CUOL office (<http://carleton.ca/cuol/>) early in the term. If you miss the deadline to apply for an off campus exam, you will be required to write your exam on campus. Please see the document “**Distance Information Sheet**” that is posted on cuLearn for more information. If you have any questions at all about CUOL please use the following contact information:
