

ACCT 5128 Strategy for Professional Accountants

Course Description

Overview of the strategy process required of professional accountants. Case-based course with accounting focus, exploring the development of a company's situation analysis, identification and analysis of strategic and operational issues.

Please visit our [course outlines page](#) for current, detailed course syllabi.

Applicants

The School places great emphasis on the hands-on integration of business theory and practice and actively encourages applications from working professionals. Candidates applying for a Contract Instructor position must possess a minimum of a Master's degree or equivalent, or a CPA, CA; CPA, CMA or CPA, CGA designation, and must have at least five years of recent relevant professional experience at a senior level.

All qualified candidates are encouraged to apply. Individuals interested in teaching this course must complete an [application](#) and forward it with their CV (include a list of all courses taught at Carleton University) to teaching@sprott.carleton.ca

*In accordance with Articles 16.3 and 16.4 in the CUPE 4600-2 Collective Agreement, the posted vacancies listed above are first offered to qualified applicants meeting the incumbency criterion. A link to the current CUPE 4600-2 Collective Agreement can be found at the Employment Agreements [webpage](#) on the Carleton University Human Resources [website](#) and the CUPE 4600-2 [website](#).

Please note that successful incumbents of this posting may be required to support the Assurance of Learning (AOL) process for the course as part of the formal responsibilities of the position. More details and training will be provided as needed.

Closing date for this position is Monday May 30, 2022.

The modality of this course is determined by the University (in-person, online, or hybrid). In the event public health authorities impose public health restrictions, part or all of this course may need to be delivered online as required by the University and as directed by public health authorities.
