Managing Diversity
Summer 2024

Instructor: Rebecca Jaremko Bromwich
Email: Rebecca.Bromwich@Carleton.ca

Office Hours: by appointment

Class Meeting:

July 26 – July 27, 2024

Friday/Saturday 835-1725

Course Calendar Description:

Exploration of issues arising from diversity within organizations including the implications of cultural differences for motivation, communication, conflict and leadership. Identification of practices that facilitate the effective management of diversity.

Prerequisite(s): MGMT 5100

Course Description:

The purpose of this course is to enhance participants' understanding of the implications of diversity and foster the development of skills for inclusively managing a diverse workforce. Much of the class time and assigned work will require students to work through situations related to diversity. Students must be willing to critically examine their own behaviour, feelings and reactions.

The instructor's role is to help students learn from their experiences. Each student is responsible for her or his own learning. What a specific person learns depends on his or her own base skills, reflective self-awareness, needs, readiness, and the relationships she or he develops with other members of the class. It also depends very heavily on the investment that he or she is willing to make in preparing for and participating in the classroom exercises. Learning potential is maximized when all participants communicate their perceptions and feelings honestly and directly. Lack of participation inhibits your own and others' learning.

Drop Course Policy: The deadline for academic withdrawal follows the dates prescribed by Carleton University: <https://calendar.carleton.ca/academicyear/>

Grading Scheme:

30%	Personal Reflection Log (due 48 hours after end of class)
20%	Group Presentation (completed in class)
35%	Final Exam (Take Home – due one week after the end of class)
15%	Participation in Class Exercises and Discussion

Late Assignments:

To ensure fairness for all students, penalties will be applied to late assignments: Failure to submit an assignment on time will result in an initial penalty of five (5) percentage points, followed by an additional (2) percentage points per day thereafter. For example, an assignment that would normally merit a grade of 80% would receive a grade of 75% if submitted after the deadline on the due date, 73% if submitted the following day, and so on. Group Work:

The Sprott School of Business encourages group assignments. They provide you with opportunities to develop and enhance interpersonal, communication, leadership, followership and other group skills. Group assignments are also an effective way to learn integrative skills for putting together a complex task. Your professor may assign one or more group tasks, assignments, or projects in this course. Before embarking on a specific problem as a group, it is your responsibility to ensure that the problem is meant to be a group assignment and not an individual one.

Peer Evaluation for Group Work

To deter social loafing and ensure fairness in grading, you will be asked to assess the contribution of your fellow group members. This information will be used when assigning the grade for the final project. The procedure is as follows: Each student should take 100 points and allocate those points to the various members of the group (including him/her/themself) to reflect the contributions made by each member. For instance, if there are four members in a group and everyone contributed equally, each individual would receive 25 points. Conversely, if an individual contributed relatively little, the remaining group members might allocate few points to that member. To ensure that these peer evaluation scores are reasonable and free from personal bias, you will be asked to provide a detailed written explanation for your point allocation.

Letter Grades:

In accordance with the Carleton University Undergraduate Calendar (p. 34), the letter grades assigned in this course will have the following percentage equivalents:

A+ = 90-100	B+ = 77-79	C+ = 67-69	D+ = 57-59	F = Below 50
A = 85-89	B = 73-76	C = 63-66	D = 53-56	
A - = 80-84	B - = 70-72	C - = 60-62	D - = 50-52
