Administrative Items

Campus Card

carleton.ca/campuscard

New students must be registered before obtaining a Campus Card. The card is essential in order to access many services on campus such as the library, athletics, PIN access doors, etc.

MyCarleton Account

students.carleton.ca

This portal provides a single point access to services for students, faculty, and staff. Due to FIPPA regulations, instructors and staff must communicate with students through a Carleton email account which is created through the portal.

Student Space

The MBA Student Lounge is located in 305 Dunton Tower.

The computer lab is located in 922 Dunton Tower. A printer is also available at this location.

A second computer lab is located in 302 Dunton Tower.

Parking Services

carleton.ca/parking

All day parking is available in Parking Lot 18 (multi-level parkade near the Bronson entrance). The daily rate is \$11 on Friday and \$5 on Saturday. For a complete list of visitor parking available on campus, visit: carleton.ca/parking/visitors/parking-rates/

Graduate Studies Procedures

The Faculty of Graduate & Postdoctoral Affairs (FGPA) regulates all graduate programs at Carleton.

The Graduate Calendar provides the complete source for regulations: calendar.carleton.ca/grad

While we do our best to keep you informed of upcoming deadlines, it is ultimately your responsibility to ensure you adhere to relevant registration and fee deadlines. The Registrar's Office website is the best website to keep abreast of these dates:

<https://carleton.ca/registrar/registration/dates-and-deadlines/>

Registration Policies

Registration is completed online through [Carleton Central](#). It is your one-stop service for registration, student records, admission, and fee information.

Leave of Absence (LOA)

Students with exceptional circumstances may apply for an exemption from registration for 1 term by completing an [Academic Change Form](#) available at gradstudents.carleton.ca/forms-policies/. The program completion time limit will be extended by the duration of the leave taken. Aside from an administrative charge, students on leave do not pay fees; as a result, they cannot access university services or awards.

Registration Withdrawal

If you must drop a course, ensure you check the [Dates & Deadlines](#) and get in touch with the MBA Administrator mbaadvising@sprott.carleton.ca

Withdrawal from the program will be required if a student:

- Receives a grade of lower than B- in 1.25 credits or more, or
- Fails to achieve a weighted GPA of 7.0 after completing 2.0 credits of study, or to maintain it, or
- Receives a grade lower than C+ in the same course more than once.

Applying to Graduate

Once in their final term, students must apply to graduate through [Carleton Central](#). The deadlines are as follows:

- March 1 for Spring Convocation
- September 1 for Fall Convocation
- December 1 for Winter Convocation (no ceremony – Winter graduates are invited to the Spring ceremony)

Program Requirements

The PMBA is a lock-step program whereby all students take courses in a specified sequence with their cohort. Courses are delivered on Fridays and Saturdays, approximately every other weekend, over 16 months (see [Cohort Schedule](#) for 2019-20 dates). Courses with a credit value of 0.25 will be run over 2 days; courses with a credit value of 0.5 will be run over 4 days.

The Professional Master of Business Administration degree requires successful completion of 25 courses (equaling 7.5 credits) with a grade of B- or better in each course. While a grade of B- or better is normally required in each credit counted towards the degree, a candidate may, with the recommendation of the School and the approval of the Dean of the Faculty of Graduate and Postdoctoral Affairs, be allowed to count a grade of C+ in 0.75 credits.

Students who miss a course, or fail to achieve a grade of B- or higher, may be permitted to take that course with the next cohort, but additional tuition fees may be required. All courses in the PMBA are mandatory, and students are expected to complete the program as outlined, with their cohort. If you must miss a course due to extenuating circumstances, notify the MBA Advisor immediately so that a plan of action may be implemented.

Student Associations

Sprott MBA Society

The MBA Society exists to serve the MBA student body and to improve the MBA student experience academically, socially, and professionally by: coordinating and sponsoring social events and extra-curricular activities; building networks with faculty, staff, and the local business community; actively promoting awareness and reputation of the Sprott MBA brand; ensuring that student concerns are being heard and that students are extremely satisfied with their MBA experience. The five-member Executive Council meets weekly to ensure that these tasks are continuously being worked on.

The Graduate Students' Association (GSA)

gsacarleton.ca

The Graduate Students' Association (GSA) offers services, advocacy, and community for over 3,900 graduate students at Carleton University.

The GSA is administered by 5 part-time executive members (a president and 4 vice-presidents), whom are elected by graduate students each spring for a one-year term. The executive and staff carry out the business of the GSA Council, which is the legislative authority of the GSA and has the final word on all matters.
