Hine, Michael

**Brand Personalities of Global Wine Exporters: A Collective Reputation Theory Perspective**
**Publication Type:** Articles in Refereed Journals

**User Trust Graph: A Model to Measure Trustworthiness**
**Publication Type:** Papers in Refereed Conference Proceedings

**An Integrated Learning Approach to Teaching an Undergraduate Information Systems Course**
**Publication Type:** Articles in Refereed Journals

**Countries positioning on personality traits: Analysis of 10 South American national tourism websites**
**Publication Type:** Articles in Refereed Journals

**Building and Environmental Sustainability Dictionary for the IT Industry**
**Publication Type:** Papers in Refereed Conference Proceedings

**Brand Personalities of Global Wine Exporters: A Collective Reputation Theory Perspective**
**Publication Type:** Papers in Refereed Conference Proceedings

**What’s Your Oenotype?**
**Publication Type:** Papers in Refereed Conference Proceedings

**Who Inhabits a Business Ecosystem? The Technospecies as a Unifying Concept**
**Publication Type:** Articles in Refereed Journals
The Effects of Text Complexity on Online Review Helpfulness
Publication Type: Articles in Refereed Journals

The Role of Motivations and Emotions in Virtual Work.
Publication Type: Articles in Refereed Journals

South American countries’ positioning on personality traits: analysis of 10 national tourism websites
Publication Type: Papers in Refereed Conference Proceedings

Exploring Contracts with Options In Loyalty Reward Programs Supply Chain
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Management Science and Operations Research

Embedding IT Service Management in the Academic Curriculum: A Cross-national Comparison
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems

Using COBIT to Guide the Adoption of Enterprise 2.0 Technologies
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems

Emotional Contagion in Computer Mediated Communication
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems, Organizational Behaviour and HRM

Emotional Contagion in Computer Mediated Communication
Publication Type: Presentations at Conferences
Empowering Business Students: Using Web 2.0 Tools in the Classroom
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Learning to Succeed in a Flat World: Information and Communication Technologies for a New Generation of Business Students
Publication Type: Articles in Refereed Journals
Area of Research: Education, Information Systems

The Role of Emotion and Language in Dyadic eNegotiations
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems, Organizational Behaviour and HRM

Personality, Emotion and Judgement in Virtual Environments: A Theoretical Framework
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems

The role of motivations and emotions on a virtual task
Murphy, S.A. & M.J. Hine (2009), "The role of motivations and emotions on a virtual task". 42nd Annual Hawaii International Conference on System Sciences, January, Waikoloa, HI, USA.
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Decision Making By Emergency Room Physicians And Residents: Implications for the Design of Clinical Decision Support Systems
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems, Organizational Behaviour and HRM

An Exploration of Emotional Intelligence in Computer Mediated Communication
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems, Organizational Behaviour and HRM

Leadership attributions in virtual teams
Publication Type: Papers in Refereed Conference Proceedings
Decision Making By Emergency Room Physicians And Residents
Publication Type: Book Chapters
Area of Research: Information Systems

Emotion and Judgements in Virtual Environments: A Research Framework
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Negotiating Behind the Electronic Veil: The Role of Emotion
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Social Construction and Emotion and its Role in Virtual Work Arrangements (Chapter 6)
Publication Type: Book Chapters
Area of Research: Information Systems, Organizational Behaviour and HRM

Social Construction and Emotion and its Role in Virtual Work Arrangements
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems, Organizational Behaviour and HRM

Decision Making By Emergency Room Physicians And Residents: Results From a Clinical Trial
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Visualization in E-negotiations: An Inspire ENS Graph is Worth 334 Words, on Average
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems
The Role of Personality, Emotion and Judgement in Virtual Environments: A Research Framework
Publication Type: Presentations at Conferences
Area of Research: Information Systems, Organizational Behaviour and HRM

Social Construction and Emotion and its Role in Virtual Work Arrangements
Publication Type: Book Chapters
Area of Research: Information Systems

Understanding Physician and Residents' Usage of a CDSS Data Collection Tool
Hine, M.J. (2005), "Understanding Physician and Residents' Usage of a CDSS Data Collection Tool". Sprott Research Colloquia, Carleton University, Ottawa, ON.
Publication Type: Invited Speakers
Area of Research: Information Systems

WorkWORLD: Decision Support for People with Disabilities
Publication Type: Invited Speakers
Area of Research: Information Systems

The Role of Emotion in Virtual Communication: An Emerging Framework for Research
Publication Type: Presentations at Conferences
Area of Research: Information Systems, Organizational Behaviour and HRM

The Design of PlanIT Online: A Web-Based Work Transition DSS for Persons with Disabilities
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Empowering Persons with Disabilities with Decision Support Technology
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems
WorkWORLD: Empowering Persons with Disabilities Through Decision Support Technology
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Searching for a Deal
Publication Type: Papers in Non-Refereed Conference Proceedings
Area of Research: Information Systems

Net Gain
Publication Type: Papers in Non-Refereed Conference Proceedings
Area of Research: Information Systems

The Design, Development and Validation of a Knowledge-based Organizational Learning Support System
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems

Navigating and Improving Employment Related Policies for People with Disabilities: An Emerging WorkWORLD Knowledge Based Decision Support (WW-KBDS) System
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems

Emerging Issues in Interpretive Organizational Learning
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems

A Computational Model of Coordination for the Design of Organizational Decision Support Systems
Publication Type: Articles in Refereed Journals
Area of Research: Accounting, Finance, Information Systems
Distributed Artificial Intelligence: Impacts and Implications for Future Knowledge-based Organizations
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

A Distributed Artificial Intelligence Coordination Representation for the Design of Organizational Decision Support Systems
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

The Design of a Knowledge-Based Organizational Health Maintenance System
Publication Type: Articles in Refereed Journals
Area of Research: Information Systems, Organizational Behaviour and HRM

The Design of an Organizational Learning Support System
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

Organizational Health: Supporting Strategic Compliance
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems

A Survey of the Literature on Distributed Artificial Intelligence With Applications to Knowledge-based Organizations
Publication Type: Papers in Refereed Conference Proceedings
Area of Research: Information Systems
